[Carsie Blanton](#) is a songwriter with hooks, chutzpah, and revolutionary optimism. Inspired by artist-activists including Nina Simone and Woody Guthrie, her catalog careens through American popular song from folk and swing to pop-punk protest anthems. With her unique mix of humor, soul, and political wit, and fifteen-plus years on the road, Blanton has amassed a dedicated fan base and a small menagerie of viral hits ([Rich People](#), [Fishin' With You](#)). Her latest album [After the Revolution](#), produced by Grammy-winner Tyler Chester, was released in March of 2024.

In [Jason Wilber](#)'s multi-decade journey with Prine, the Grammy-winning singer, songwriter, guitarist and producer has graced stages from the Grand Ole Opry to Austin City Limits, Seth Myers & Conan to Letterman & Colbert. And he's been a key player in high-profile collaborations with a host of legends including Lucinda Williams, Emmylou Harris, Alison Krauss, Todd Snider, Tom Russell, Miranda Lambert, Susan Tedeschi, Josh Ritter, Kacey Musgraves & more.

Formed in 2007, [The Boxmasters](#) have recorded an impressive and diverse catalog of music that touches on their love of a wide array of influences, but most importantly, the rock and roll of the 1960's. As a touring band, The Boxmasters have cultivated a rabid cult fanbase across the United States, Canada and now Europe and the United Kingdom. Opening for the likes of ZZ Top, Steve Miller, and George Thorogood, The Boxmasters have proven to win over large audiences. They are back on the road with the "2024 Love & Hate Tour."
